*"It's simple – visit the Caesarstone website choose the colours that most appeal to you and place your order, we will do the rest!"* Says Linda Hannah, Marketing Communications Manager of Caesarstone Australia.

Caesarstone are pleased to provide up to four samples free of charge along with our latest colour brochure and a copy of our Colour Inspirations Guide produced in collaboration with Polytec.

The Colour Inspirations Guide matches each colour in the Caesarstone range with both tonal and contrast cabinet door and panel colours from the Polytec range Australia's leading manufacturer of kitchen cabinet doors to create a contemporary colour scheme which is sure to make a lasting impression.

Whilst we always encourage a visit to a Caesarstone showroom to view colours in large panel formats, we also understand that it is important to have a take away sample that allows you to bring the colours into your home and view under your individually lighting and to match up to all other surface considerations such as paint colours, cabinetry and flooring ensuring that you make the right decision that you will be happy with for years to follow.
