Insist on Caesarstone and Receive your Free Customer Care Kit

Kitchen bench tops are some of the most used surfaces in any home. As one of the biggest investments you will make, a new kitchen should last a lifetime. Not only should it look amazing but it also needs to function well and be highly resilient to the constant daily use, and as the old adage says; don't compromise – “do it once, do it well”.

Other products may look similar; but it is often what you can't see - the quality of raw materials and the manufacturing technology and know-how that makes the difference as to whether a product will give you years of trouble free service.

If you are renovating or building a new home then insist on the Caesarstone® brand. Don't settle for anything less.

Caesarstone Australia offers a 10 year limited warranty with every Caesarstone surface and upon registration provides each customer with a complimentary customer care cleaning kit.

For a limited time only Caesarstone is also rewarding customers with a bonus sample size bottle of their Caesarstone Spray Cleaner that has been specially formulated to keep your surfaces looking their best and in pristine condition.

“The Caesarstone Spray Cleaner is quick and easy to use, cleaning the surface without streaking or leaving marks. The pleasant lavender scent is not overpowering like some cleaners on the market” Says Linda Hannah, Marketing Communications Manager of Caesarstone Australia.

All Caesarstone cleaning products are available to purchase online from the Caesarstone website www.caesarstone.com.au
