Caesarstone’s New Statuario Nuvo - Now Available

The new marble inspired design from Caesarstone, Statuario Nuvo, will transform any room with elegant, yet subtle sophistication and refined yet impressive dark veins on an opaque white background.

As a more subtle complement to the highly successful Calacatta Nuvo in Caesarstone’s new Supernatural Ultra range, the elegant vein structure of Statuario Nuvo is perfectly on trend and is the ideal choice for elegant, understated interiors.

Like all of Caesarstone’s Supernatural Designs, Statuario Nuvo offers consumers the opportunity to design sophisticated, high-end interiors with the look of natural stone while offering the superior properties of a quartz surface. Unlike natural stone, Caesarstone is virtually non-porous, will never require sealing and is highly scratch and stain resistant – perfect for high traffic wet areas such as kitchens and bathrooms.

Statuario Nuvo is available through kitchen retailers nationally and is on display in all Caesarstone showrooms. Due to the scale of this design, we encourage consumers to view large size samples and displays. To locate your nearest kitchen retail showroom simply go to the “Find a Display” on the Caesarstone® website and select Statuario Nuvo.
