

FOR IMMEDIATE RELEASE

FEBRUARY 2016

The New Statuario Maximus by Caesarstone

Caesarstone is delighted to announce the launch of Statuario Maximus its very latest marble inspired design to join the Supernatural designs collection.

A bold beautiful new design; Statuario Maximus features broad warm grey veins sweeping across its soft white base colour, further enriched by delicate, infused background veins.

Perfect for many applications in kitchens, bathrooms, commercial and furniture pieces, Statuario Maximus will make a luxurious statement in any home.

“Over recent years we have seen the market truly embrace the natural inspired marble supernatural designs both in Australia and overseas. The combination of marble design quartz surfaces fuses the timeless marble look with all the superior functional benefits of Caesarstone – scratch, heat and chip resistance” says Andrew Dixon, Caesarstone GM Marketing

Andrew goes on to say “Statuario Maximus will work with many other materials and colours providing wide colour scheme flexibility. This design works with classic whites, warm neutrals through to grey kitchen cabinet door colours for example, as well as numerous wood species such as oak, walnut and equally with a more industrial colour palette.”

Samples of Statuario Maximus will be distributed across kitchen retailers nationally over coming months. To locate your nearest kitchen retail showroom simply go to [Find a Display](#) on the Caesarstone website and select ‘5031 Statuario Maximus’.

A large sample of Statuario Maximus can be viewed in each Caesarstone showroom in Sydney, Melbourne, Brisbane and Perth <http://www.caesarstone.com.au/contact/office-locations>

Statuario Maximus samples can be ordered online at www.caesarstone.com.au

About Caesarstone

Caesarstone is a publicly traded company on the NASDAQ. The company's surfaces and products are sold in over 48 countries worldwide. Established in 1987, Caesarstone pioneered the original quartz surface and continues to be a leading developer and manufacturer of premium surfaces. Caesarstone surfaces consist of up to 93% quartz and utilize advanced technologies and proprietary know-how. The surfaces are highly functional, design forward and have endless application possibilities including kitchen bench tops, bathroom vanities, flooring, wall paneling, furniture and more.

With diverse collections – Classico™ and Concetto® there is no limit to choice. The unique and rich variety of colours and patterns gives each customer the ability to find their 'ultimate surface' and create their own unique interior environment. Caesarstone's extensive designs are constantly evolving and developing to meet the latest world trends and the highest level of international quality standards.

Caesarstone® quartz surfaces are available across all states of Australia and also New Zealand.
